YOUR GIFT EARNS A SPECIAL TAX CREDIT

Michigan Tax Credit:

Current legislation provides a tax credit which may reduce your State of Michigan income tax liability by one-half of the amount of the donation made to the Mt. Pleasant Area Community Foundation for permanent endowment in any fund, subject to limits based on filing status.

- For single individuals or married taxpayers filing separately, the maximum credit is \$100 (for gifts of \$200 or more).
- For married couples filing jointly, the maximum credit is \$200 (for gifts of \$400 or more).
- For corporations and others which pay the Michigan Business Tax, the maximum credit is \$5,000 or 5% of the tax liability before claiming any credits, whichever is less.
- For a resident estate or trust, the maximum credit is \$5,000 or 10% of the tax liability before claiming any credits, whichever is less.

The credit is in addition to those available for donations to Michigan colleges and universities, public libraries and public broadcasting stations, or Michigan homeless shelters and food banks.

A donation made is also deductible as a charitable gift for federal income tax purposes.

All funds are owned and managed by the Mt. Pleasant Area Community Foundation. All gifts will be invested and the investment income will be distributed per the fund agreements and in accordance with the Foundation's spending policy. The Mt. Pleasant Area Community Foundation maintains explicit authority to redirect earnings of any fund if distributions of said fund become unnecessary, impossible to fulfill or inconsistent with the needs of the community.
