

June 2013

### **Shepherd Students Party After Prom**

The Shepherd High School 2013 After Prom program provided a safe and fun all-night party to prom-goers. This year's program took place at Morey Courts and provided a safe and alcohol-free alternative following the junior and senior prom. Inflatable games, ice skating, video games, basketball, a photo booth and other games and prizes keep the students and their prom guests entertained for free all night.

The Shepherd High School after prom program has been in existence for sixteen years. The program was created by parents and students concerned for the safety of students following the traditional high school dance. More than 70% of the junior and senior classes participate in the After Prom program each year.

The Shepherd High School 2013 After Prom program was funded in part by the Mt. Pleasant Area Community Foundation's Kellogg Youth Fund and Shepherd Community Fund. The Kellogg Youth Fund supports charitable projects or events that benefit the young people of Isabella County. The Shepherd Community Fund awards grants to organizations whose programs or services foster the general welfare of Shepherd area citizens.
